Advice

- Do not overestimate your capacities
- Make inquiries about weather conditions
- Prepare your route
- Choose appropriate equipment
- Respect the Highway Code, other path and road users
- Respect the signposting and the amenities along the route
- If there are changes to the routes, follow the new signs
- Respect the inhabitants, their cultures
- Protect the environment, fauna and flora: your litter with you

- Les Corps de Garde
- Le Beffroi
- La Porte aux Boules

GRAVELINES

Maritime Fortress

3km - 1hr

Starting point: The Arsenal's bridge

Gravelines

Maritime Fortress

1. Starting point : The Arsenal's bridge.
Go round the gardens. Follow the path and exit by the car park. (P)

2. Take the street that goes down in front of you. Take left (Rue de Calais) then right (Rue Vanderghote). Keep going straight. Pass the church and Varennes barracks.

3. Go up the trail, pass over 2 wooden bridges then follow the marked trail on the left.

4. Keep going until you reach the road.

5. Turn left and go to the cobbled path along the "Porte aux boules"

6. Cross the bridge then go up to your right along the rampart walk, follow that way.

7. Cross the road and go up on the other side. Note the view on your right. Follow the walls. Next at the end turn left.

8. Meet the place and your starting point on the bridge
